Re: Denial of File Closure, Randolph Mining, Dusty Mine, S/037/063, San Juan County, Utah

Dear Mr. Randolph:

On August 14, 2000, we received your request to close the file for the Dusty Mine located in the SE¼ SW¼, Section 36, Township 36 South, Range 25 East, SLBM, San Juan county, Utah. I have spoken with you several times about this project, and although I understand the site is mostly reclaimed and revegetated, you still need to do final closure on the portal entrance. Therefore, we must deny your request to close the file.

If you feel this project has been sufficiently reclaimed so that the project can be released, please contact me so we can schedule a site inspection. Because we cannot close the file, the Division annual permit fees need to be paid. A billing statement is enclosed for your use, which is due within 30 days.

If you have any questions or concerns regarding this letter, please contact me at (801) 538-5261. Please reference our file number S/037/063 regarding this project.

Sincerely,

Paul B. Baker  
Senior Reclamation Biologist
